Meetings will remain quarterly with scheduled conference calls on a monthly basis to confirm our upcoming activities on our Quarterly Calendar.

Reasons for our chamber membership and involvement with Nexus are:

Ability to network; Leadership opportunities; resources for business; reach decision makers; community outreach opportunity as a Group to help non-profits; informal/meet other young people.

We will continue to work with our key sponsors and try to reciprocate to them during the Year. The key sponsors include: JOs. A. Bank Clothiers, Heineken and Wegmans.

Nexus webpage/link on the BCCC website would be beneficial. We could post our event calendar and keep information up to date. Ryan Brooks of Sequencing, Inc. will continue to work with BCCC on this Project.
